A Message from our Home & School President

Dear Friends,

It is my pleasure to once again welcome you home to OLMC for another fantastic school year. We have kicked off a new school year in grand fashion as always. We have already had our Volunteer Fair and we are excited to be moving into another school year with all of you to help us make OLMC a better place for our kids.

If you haven't already sent in your School Directory forms please get them to Candace Huchko ASAP! This form will help Candace finish up and expedite our new 2010/2011 School Directory! Thank you in advance for your help!

Now back to the fun! Hey how about our Mighty Miracles Celebrity Basketball Team! The Miracles, coached by our own Mrs. Dailey, helped the Harlem Wizards put on a fantastic show on the 1st of October. What a GREAT family night we had! Bea Allen and her team of volunteers put on a great presentation for our families and guests. The Wizards, led by Swoop, fought hard and made this fun event a Huge Success. Thanks to all who came out and enjoyed the fun!

So much to talk about so please keep in mind that ALL volunteers MUST attend a Safe Environment Seminar to be permitted to help serve our children and be involved in our school! This class is being offered at OLMC on September 13 @ 6 pm in St. Mary's Hall! Participants must preregister with Marge Anderson in the Parish Rectory. I hope all of you will find the time to support our kids by taking this one time class!

We are quickly coming up on Craft Fair and Ladies Night Out, two great and successful fundraising events! I hope you will come out and support these great events. Bring a Friend and share in the fun!

Lastly, yet another gentle reminder, we are looking for a new President next year. If you have any questions or concerns please feel free to contact me at lcuoci@comcast.net. I will be happy to bring you along for the ride.

May God Bless you and keep you close

Sincerely,

Lorenzo Cuoci
