OLMC Home & School Association

2011/2012

The Home and school association continues to be so appreciative of all the ongoing support given to the school by our great families and we thank all who have volunteered in the past.

The Home & School Association supports and provides many wonderful programs at OLMC to enhance the children's educational experience. If we all work together as a community we can keep these many wonderful opportunities available.

We strongly encourage everyone to get involved. Our goal is achieve 100 % participation from all families because what a difference we all could make if we work together. We kindly ask that each family considers at least two ways that you could volunteer their time and talents.

Please look through the following list of opportunities available. Signup sheets will be available at Back to School Night on Thursday Sept 15th and at the Volunteer Fair on Friday, September 16th from 8:00 am-12:00 noon at St. Mary's Hall. We will be available at both these events to answer any of your questions or please feel free to contact us.

If you are unable to attend either of these events, please take advantage of the form by completing it and sending in an envelope to school marked "Volunteer Form" c/o Ann Garrison by Monday, Sept. 19th.

but you make a life by what you give."***
